

SUCCESS

```
stateDiagram-v2
    state sm_three_some {
        state StState2 {
            [*] --> SUCCESS : NEXT
        }
    }
    state SUCCESS
```

The diagram illustrates a state transition. A state box labeled 'sm_three_some::StState2' has a 'NEXT' transition that leads to a state labeled 'SUCCESS'. The 'SUCCESS' state box is divided into three horizontal sections, with the top section containing the label 'SUCCESS'. The transition is represented by a blue arrow pointing upwards from the 'NEXT' label in the first section of the 'sm_three_some::StState2' box to the bottom of the 'SUCCESS' box.
