The diagram consists of two rectangular boxes. The top box is white and contains the text 'boost::statechart::event< EvWaypoint83< TSource, TOrthogonal > >'. It is divided into three horizontal sections by thin black lines. The bottom two sections are empty. The bottom box is gray and contains the text 'cl_move_base_z::EvWaypoint83< TSource, TOrthogonal >' followed by '+ waypointIndex' on the next line. It is also divided into three horizontal sections by thin black lines. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating inheritance.
