The diagram illustrates an inheritance relationship. A blue arrow with an open triangular head points from the bottom class to the top class. The top class is white with a black border and contains the text 'boost::statechart::event< EvWaypoint203 < TSource, TOrthogonal > >'. It has two empty rectangular compartments below the text. The bottom class is gray with a black border and contains the text 'cl_move_base_z::EvWaypoint203 < TSource, TOrthogonal >'. It has two compartments below the text: the first contains '+ waypointIndex' and the second is empty.
