

smacc::SmaccState::
shallow_construct

```
graph LR; A["smacc::SmaccState::  
shallow_construct"] --> B["TRACEPOINT"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'smacc::SmaccState::' on the first line and 'shallow_construct' on the second line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'TRACEPOINT' in all caps.

TRACEPOINT
