

sm_dance_bot_strikes
_back::s_pattern_states
::StiSPatternRotate2::runtimeConfigure

```
graph LR; A["sm_dance_bot_strikes  
_back::s_pattern_states  
::StiSPatternRotate2::runtimeConfigure"] --> B["smacc::ISmaccState  
::getLogger"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains three lines of text: 'sm_dance_bot_strikes', '_back::s_pattern_states', and '::StiSPatternRotate2::runtimeConfigure'. The right box has a white background and contains two lines of text: 'smacc::ISmaccState' and '::getLogger'.

smacc::ISmaccState
::getLogger
