

service_node_3.Service3.
__init__

The diagram consists of a light gray rectangular box with a black border. Inside the box, the text 'service_node_3.Service3.' is on the top line and '__init__' is on the bottom line, centered. Above the box, a dark blue curved arrow starts from the top edge of the box and points down to the right, ending at the top of the '__init__' text, indicating a self-call or initialization process.
